INSURANCE CODE OF CONDUCT

Hollard proudly supports the South African Insurance Association (SAIA) Code of Conduct.

The purpose of the Code is to raise standards of practice and service in the general insurance industry. The objectives of the Code are:

1. to promote better, more informed relations between insurers and their customers;
2. to improve consumer confidence in the general insurance industry;
3. to provide better mechanisms for the resolution of complaints and disputes between insurers and their customers; and
4. to commit insurers and the professionals they rely upon to higher standards of customer service.

Information on the Code is available from the nearest Hollard office or from SAIA.

Hollard's commitment to service

Hollard has adopted and supports the Code and is committed to complying with it. Contact Hollard for more information about the Code.

How to resolve a complaint or dispute

If the Insured does not agree with Hollard's decision, there are a couple of options available to the Insured. While the Insured may contact the National Financial Ombud Scheme South Africa (the NFOSA) at any time, or take legal action against Hollard, Hollard encourages the Insured to please contact us first and follow the four-step process below.

Step 1: Talk to Hollard first

If the Insured has a complaint, the first thing the Insured or their insurance broker should do is speak to Hollard. The latest Hollard complaints contact information can be found on the disclosure notice attached to the Policy Schedule.

If the complaint is related specifically to a claim, speak with the insurance intermediary or insurance broker to discuss the claim with Hollard, by contacting us on:

Email: hollardinsurecomplaints@hollard.co.za

Website: <https://www.hollard.co.za/contact-us/send-a-complaint>

Hollard will provide the Insured with a response to the complaint within a reasonable period of time. If the timeframe is impractical for any reason, such as the need for more information or further investigation, Hollard will discuss alternative timeframes with the Insured.

Step 2: Seek a review

If the insured is not satisfied with the outcome of the initial decision, the Insured or the insurance intermediary or the insurance broker has the option to refer the matter to Hollard's Office of the Internal Adjudicator (OIA) for an independent review. The OIA will investigate the Insured's complaint objectively and independently and can be contacted on:

Email: oia@hollard.co.za

If the Insured is still not satisfied with the OIA's response to the dispute, the Insured then moves on to step 3.

Step 3: Seek an external review

The Insured is entitled to seek an external review of Hollard's decision. Hollard will provide the Insured with information about options available, including, if appropriate, referring the Insured to the external dispute resolution scheme administered by the National Financial Ombud Scheme South Africa (NFOSA).

The NFOSA is an independent external dispute resolution office, and its service is free to Hollard customers. The NFOSA will advise the Insured if they can assist.

The NFOSA can be contacted at:

Name: National Financial Ombud Scheme South Africa
Physical address: 110 Oxford Road, Houghton Estate, Illovo, Johannesburg, 2198
Postal address: PO Box 87419, Houghton, 2041
Telephone no.: (0860) 800-900
Email: info@nfosa.co.za
Website: www.nfosa.co.za

Hollard agrees to accept the NFOSA's final determination; however, the Insured has the right to take legal action if the NFOSA's decision is not resolved in their favour. The NFOSA only accepts resolutions under their terms of reference.

Further information about Hollard's complaint and dispute resolution procedures are available by contacting us.

Step 4: Take legal action

The Insured may take legal action against Hollard within 12 (twelve) months of the date of the rejection that the Insured received in writing from Hollard. To take legal action, summons must be served on Hollard. If this is not done in time, the Insured will lose their right to claim, and Hollard will no longer be responsible for this claim. The Insured may choose to take legal action against Hollard without first asking Hollard to review our claim decision, or without first contacting the NFOSA. However, if the Insured takes legal action against Hollard before contacting the NFOSA, the Insured may only approach the NFOSA for assistance after the Insured has withdrawn the summons against Hollard.

Electricity Grid Failure is an interruption to or suspension of electricity supply, in any manner, from whatsoever source, and for any reason (including damage and any inability and/or failure on the part of the supplier) which affects an entire municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time, including any interruption, power surge or suspension at the reconnection or reinstatement of electricity supply.

This Exclusion also applies to consequential losses in respect of any public utilities that are affected by Electricity Grid Failure including, but not limited to, the disruption of water, telecommunications and sewage systems as well as the deterioration of stock, food or other items.

This Exclusion does not apply to Loadshedding (defined below) which remains covered subject to the remaining Terms and Conditions set out in the Policy.

Loadshedding is the intentional, total or partial, withholding of electricity supply (from any source) by any party other than the insured implemented in phases which do not affect a municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time.

The theft covers of the Policy have security requirements, such as alarm systems. It must be noted that there is no cover in place if these requirements are not met in any way, whether directly or indirectly due to Electricity Grid Failure. The Provision in the alarm warranty that states "cover will continue to be applicable whilst the alarm system is not operative due to a failure of the public supply of electricity at the terminal ends of the supply authority's service feeders and that such failure is not due to any act or omission of the Insured." is deleted should such unavailability of electricity be as a result of Electricity Grid Failure.

GENERAL CONDITIONS

PROVIDED THAT:

this General Condition shall not apply to claims under Sections (if applicable):

1. Business Interruption;
2. Fidelity Guarantee;

This General Condition shall be evidence of the leave and licence of the Insured to the Company to do so. The Insured shall not be entitled to abandon any property to the Company whether taken possession of by the Company or not;
 - 7.1.2 take over and conduct in the name of the Insured the defence or settlement of any claim and prosecute in the name of the Insured for their own benefit any claim for indemnity or damages or otherwise and shall have full discretion in the conduct of any proceedings and in the settlement of any claim. No admission, statement, offer, promise, payment or indemnity shall be made by the Insured without the written consent of the Company.
- 7.2 The Insured shall, at the expense of the Company, do and permit to be done all such things as may be necessary or reasonably required by the Company for the purpose of enforcing any rights to which the Company shall be, or would become, subrogated upon indemnification of the Insured whether such things shall be required before or after such indemnification.
- 7.3 In respect of any Section of this Policy under which an indemnity is provided for liability to third parties, the Company may, upon the happening of any event, pay to the Insured the limit of indemnity provided in respect of such event or any lesser sum for which the claim or claims arising from such event can be settled and the Company shall thereafter not be under further liability in respect of such event.

8. Deliberate or fraudulent acts in making a claim

"If the property insured is, at the commencement of any damage to such property by discharge or leakage, collectively of greater value than the sum insured thereon against fire damage, then the Company shall be liable under this Extension only for that proportion of the first loss limit as the sum insured against fire bears to the total value of such property and the Insured shall be considered as being their own insurer for the difference and shall bear a rateable share of the loss accordingly. Every item, if more than one, to which this Extension applies shall be separately subject to this Clause."

Average extension: Day One Basis (non-adjustable) – applicable to buildings and machinery only

The items to which this Extension applies and their Declared Values are shown in the Schedule.

1. The Insured having stated in writing the Declared Value incorporated in each item to which this Extension applies and the premium has been calculated accordingly.

'Declared Value' shall mean the Insured's assessment of the cost of reinstatement of the property insured arrived at in accordance with the first paragraph of the Reinstatement value conditions Clause at the level of costs applying at the inception of the period of insurance (ignoring inflationary factors which may operate subsequently to the fixing of the Declared Value) together with, in so far as the insurance by the item provides, due allowance for:

In the absence of such declaration, the last amount declared by the Insured shall be taken as the Declared Value for the ensuing period of insurance.

3. Notwithstanding any General Condition or endorsement to the contrary, the following wording applies to Provision 3 of the Reinstatement value conditions Clause:

"Each item insured under these Conditions is declared to be separately subject to the following condition of Average, namely:

if, at the time of damage, the Declared Value of the property covered by such item be less than the cost of reinstatement (as defined in paragraph 1 above) at the inception of the period of insurance, then the Company's liability for any loss hereby insured shall be limited to that proportion thereof which the Declared Value bears to such cost of reinstatement."

The following special memorandum is added to the Reinstatement value conditions Clause:

Where, by reason of any of these Conditions, no payment is to be made beyond the amount which would have been payable under the Policy if this Extension had not been incorporated therein, the rights and liabilities of the Company and the Insured in respect of the destruction or damage shall be subject to the Terms and Conditions of the Policy including any condition of Average therein, as if this Extension had not been incorporated therein, except that the total amount payable shall be limited to a maximum of the percentage of the Declared Value shown in the Schedule.

4. In the event of loss, the liability of the Company in respect of property to which this Extension applies shall not exceed the sums insured stated in the Schedule.
5. If this Section of the Policy is subject to a Capital additions Clause, then such Clause is deleted and replaced by the following:

"The insurance hereby extends to cover alterations, additions and improvements (but not appreciation in value in excess of the sums insured) to property specified herein (other than stocks) for an amount not exceeding 10% (ten percent) of such sums insured, it being understood that the Insured undertakes to advise the Company each quarter of such alterations, additions and improvements and to pay the appropriate additional premium thereon".

It is further agreed that, on containers from which the brand name, trade mark, label or guarantee cannot be removed, the contents will be removed to plain containers;

in the event of loss or damage to labels or names, the amount payable will be the cost of labelling and/or reconditioning the property.

During each period of insurance, the sum(s) insured under Columns 1 (Buildings) and/or 3 (Plant and Machinery) of this Section shall be increased by that portion of the percentage specified in the Schedule which the number of days since the commencement of such period bears to the whole of such period. Unless agreed otherwise, these provisions shall only apply to the sum(s) insured in force at the commencement of the period of insurance.

At each renewal date, the Insured shall notify the Company of the sum(s) to be insured for the forthcoming period of insurance and the percentage increase required for such period. In default thereof, the Provisions of this Clause shall cease to apply.

In respect of stock and materials in trade insured under this Section being subject to the Stock declaration conditions, the premium is calculated on 75% (seventy five percent) of the sum(s) insured thereon, subject to the following specific conditions:

1. 1.1 The Insured shall declare to the Company in writing the market value of their stock and materials in trade on the last day of each month/quarter (as stated in the Schedule) and shall make such declaration within 31 (thirty one) days thereof, otherwise they shall be deemed to have declared the sum insured on such property as the market value thereof.
- 1.2 After each period of insurance, the premium shall be calculated on the average sum insured, namely the total of the values declared or deemed to have been declared, divided by the number of declarations due to have been made. If the resultant premium shall differ from the provisional premium, the difference shall be payable by or to the Insured as the case may be, but the amount payable by the Company shall not exceed 50% (fifty percent) of the provisional premium.
2. Any claim hereunder shall be settled on the basis of the market value immediately before the damage.

3. If, after the occurrence of damage, it is found that the amount of the last declaration is less than the amount that ought to have been declared, then the amount which would have been recoverable by the Insured shall be reduced in such proportion as the amount of the said declaration bears to the amount that ought to have been declared or to the sum insured, whichever is the lesser amount. The Provisions of this Condition shall, if applicable, operate cumulatively with General Condition 30. *Average*.
4. In consideration of the insurance not being reduced by the amount of any loss, the Insured shall pay additional premium on the amount of the loss from the date thereof to expiry of the period of insurance and such extra premium shall not be taken into account in, and shall be distinct from, the final adjustment premium.
5. The liability of the Company shall not exceed the sum insured stated in the Schedule and premium shall not be receivable on values in excess thereof.

SPECIFIC CONDITIONS (applicable to all Sub-Sections)

1. Observance of terms

The Insured will abide by and fulfil all Terms, Conditions and Endorsements of this Section in so far as they relate to anything to be done or complied with by the Insured. The truth of the statements, answers and information supplied in connection with this Section will be a condition precedent to any liability of the Company to indemnify the Insured.

2. Claims co-operation

It will be a condition precedent to liability that in respect of any circumstance notified to the Company or any claim itself, the Insured will:

- 2.1 provide the Company with such particulars and information as the Company may require, immediately on request;

- 2.2 forward to the Company any communication, court process or documentation, or any other documents received relating to such circumstance or claim immediately on receipt;

- 4.3 the terms of this Section, including without limitation those governing the Company's rights in relation to the conduct and defence of claims and the Insured's duties in the event of a claim, will not be affected or modified in any way by the existence or application of the First amount payable.

5. Discharge of liability

The Company may at any time, at its own discretion, pay to the Insured the Limit of indemnity under this Section, or any lesser sum(s) for which any claim(s) can be settled, and the Company, after the deduction of any sum(s) already paid in connection with such claim(s), will not be under further liability, except for the payment of defence costs and expenses already agreed and incurred;

PROVIDED THAT:

in the event of any claim(s) or series of claims resulting in a liability of the Insured's to pay in excess of the Limit of indemnity, the Company's liability by virtue of a judgment or settlement for such costs and expenses, will not exceed an amount being in the same proportion as the Limit of indemnity bears to the total payment made by or on the Insured's behalf in settlement of the claim(s).

- 7.2 within one month of the expiry of each period of insurance furnish to the Company such information as the Company requires for such expired period and the premium for such period will thereupon be adjusted by the Company and the difference be paid by, or allowed to, the Insured as the case may be subject to any agreed minimum premium.

8. Law

This Section is subject to and will be interpreted in accordance with the law of the Republic of South Africa.

9. Amendment

At the Insured's option, which option must be exercised within 31 (thirty one) days of non-renewal of this Section of the Policy, and payment of the additional premium required by the Company within 31 (thirty one) days, in respect of the period within which any claim or circumstance that may give rise to a claim in terms of this Section of the Policy is to be reported in terms of General Condition 6. *Claims*, the Company agrees that notice given within 36 (thirty six) months (hereinafter referred to as the 'Special extended reporting period option') immediately following the expiry (non-renewal) of this Section will be regarded as having been reported on the last day preceding the expiry (non-renewal).

UMBRELLA LIABILITY (COMMERCIAL RISK)

1. OPERATIVE CLAUSE

- 1.1 The Insured is indemnified up to the Indemnity Limit against the legally enforceable consequences of causing Injury, Damage or Malice or providing Negligent Advice (all as defined in clause 2), in the course of carrying out the Business, but only in respect of resultant claims made by others for damages, costs, fees and expenses, and in accordance with the law and procedure anywhere in the world but not in respect of any judgment, award, or settlement made within countries which operate under the laws of the United States of America or Canada (or to any order made anywhere in the world to enforce such judgment, award or settlement either in whole or in part).
- 1.2 All costs reasonably and necessarily incurred in defending or settling such claims will also be paid by the Insurers, as will costs of legal or similar representation at any inquest or other official enquiry into any incident which the Insurers agree might give rise to a valid claim under this Policy.

2. DEFINITIONS

For the purpose of this Policy, wherever they appear, the words or terms below shall be interpreted as follows:

Injury	is death, injury, illness (mental or physical), disease, assault, false imprisonment or arrest of or to any person.
Damage	is loss of or damage to tangible property, conversion, trespass, nuisance or wrongful interference with the enjoyment of rights over tangible property.
Malice	is malicious legal proceedings, malicious falsehood, defamation, unfair competition or infringement of copyright, title, slogan or idea.
Negligent Advice	is incorrect or inadequate advice given in the promotion of the Insured's Products, but without expectation of any other reward.
The 'Business'	is defined in the Schedule, but also includes all organisations or functions operated for the benefit of the Insured's employees or visitors or for the protection or promotion of the Insured's activities.
Product	is any article after it has left the custody or control of the Insured which has been designed, specified, formulated, manufactured, constructed, installed, sold, supplied, distributed, treated, serviced, altered or repaired by on or behalf of the Insured.

3. LIMIT OF INDEMNITY

The Insurers' total liability to pay compensation, damages and costs as detailed in Clause 1.2, during the period of this Policy will not exceed the amount shown in the Schedule:

- 3.1 in respect of the total of all claims arising out of or in connection with Products or Negligent Advice;
- 3.2 in respect of each and every other claim or series of claims arising out of one originating cause (subject always to Clause 5.7);
- 3.3 in the event of any one originating cause giving rise to a claim or series of claims which form the subject of indemnity by more than one of the Underlying Policies or Sections of that Policy the Indemnity Limit shown in the Schedule shall apply to each Underlying Policy or Sections of that Policy provided the Insurer's total liability shall be limited to the greatest Indemnity Limit.

4. POLICY INTENTION

Within the limits of the Operative Clause this Policy provides indemnity in the following alternative circumstances:

4.1 Excess layer protection

Where the claim is prima facie covered by the terms of any of the policies listed as Scheduled Underlying Insurances, then this Policy operates only to the extent that the claim is not met by such Underlying Insurance solely because of the inadequacy of the Underlying Indemnity Limit.

4.2 Difference in condition protection

Where the claim is within the scope of the Operative Clause of any Scheduled Underlying Insurance, then this Policy operates only when such claim is rejected by the Underlying Insurers because of a policy Term, Condition or Exclusion.

4.3 Additional risk protection

Where the claim is outside the scope of the operative clause of any Scheduled Underlying Insurance, then this Policy operates within the limitations of its own Operative Clause.

This Clause 4 establishes the intention of this Policy, but does not modify, alter or extend the specified Terms, Conditions and Exclusions of this Policy, which remain paramount.

5. EXCESS LAYER PROTECTION

- 5.1 In respect of any claim which forms the subject of indemnity by any Scheduled Underlying Insurance, this Policy is declared to be subject to the same terms, conditions and exclusions as such Underlying Insurance and the Insurers of this Policy agree to follow the decision of the Underlying Insurer in interpreting such terms, conditions and exclusions.
- 5.2 Any decision of the Underlying Insurer to accept a claim on an 'ex gratia' or 'without prejudice' basis shall, however, not be binding on the Insurers of this Policy.
- 5.3 No action or decision of the Underlying Insurer which prejudices the rights of the Insurers in the conduct or settlement of any claim under this Policy shall be binding on the Insurers.
- 5.4 This Clause provides indemnity in respect of claims which are primarily indemnified, during the period of this Policy, by a Scheduled Underlying Insurance:
 - 5.4.1 in excess of the Indemnity Limit stated to apply to the Scheduled Underlying Insurance, except where such limit has been reduced or exhausted by reason of claims, in which case this Policy pays in excess of the residual limit (if any);
 - 5.4.2 for those costs defined in Clause 1.2 provided these are not recoverable from the Scheduled Underlying Insurance. In the event of the wording of the Scheduled Underlying Insurance contradicting and thereby legally amending this provision, the Insurers' maximum liability under this sub-clause shall be the same proportion of incurred costs as the settled claim bears to the respective Indemnity Limit.
- 5.5 Where the Indemnity Limit of the Scheduled Underlying Insurance is exhausted by reason of a claim which is also indemnified by this Policy, the Insurers will continue to follow the original decision of the Underlying Insurer in respect of that claim in accordance with Clause 5.1.
- 5.6 Where the Indemnity Limit of the Scheduled Underlying Insurance is exhausted by previous claims and as a consequence this Policy operates as a primary policy, in respect of any claims which would otherwise have been indemnified by the Scheduled Underlying Insurance, the Insurers will interpret this Policy as if the Underlying Insurance had still been in force.
- 5.7 Where the Scheduled Underlying Insurance states that generally or in respect of specified claims the Indemnity Limit is the aggregate of all indemnifiable claims occurring or made during the Underlying period of insurance, then the Indemnity Limit under this Policy is declared to be on an identical basis as the Scheduled Underlying Insurance.
- 5.8 Where the Insurers of a Scheduled Underlying Insurance decline to grant indemnity in respect of a claim on the grounds that either:
 - 5.8.1 the loss did not occur;
 - 5.8.2 the event did not occur;
 - 5.8.3 or the claim was not made;

during the policy period (as the case may be) and as a consequence such claim falls to be indemnified by a policy effected prior to the relevant Scheduled Underlying Insurance, then such prior policy shall be treated as if it was a Scheduled Underlying Insurance. For the purpose of this Clause 5.8, the indemnity limit of the prior policy shall be deemed to be not less than the Indemnity Limit as stated in respect of the relevant Scheduled Underlying Insurance without allowance for reduction or exhaustion of such limit. In all other respects the provisions of this Clause 5 will apply.

- 5.9 Where the Insured is indemnified against a claim by a policy not listed as a Scheduled Underlying Insurance (other than in circumstances described in 5.8 above) then the Insurers may at their sole option (which must be exercised within a reasonable time) deem such policy to be Underlying Insurance, in which event the provisions of this Clause 5 will apply as far as possible.

6. DIFFERENCE IN CONDITIONS PROTECTION

- 6.1 Where a claim is indemnifiable by the operative clause of a Scheduled Underlying Insurance, but is then declared by the Underlying Insurer to be excluded by reason of a policy term, exclusion or condition, then this Policy will indemnify the Insured in accordance with this Policy's Operative Clause and Terms and Conditions.
- 6.2 Where a claim is not excluded by the operative clause of a Scheduled Underlying Insurance which has however been exhausted by reason of other claims and where, in the opinion of the Insurers of this Policy such claim would have been excluded by the Underlying Insurance by reason of a term, exclusion or condition, then the provisions of this Clause 6 will apply.
- 6.3 The Insurers will follow the provisions of the operative clause of the appropriate Scheduled Underlying Insurance in determining the basis on which the Insured is indemnified by this Clause of the Policy, being either:
- 6.3.1 in respect of Injury, Damage or Malice occurring or Negligent Advice given during the Period of this Policy (losses occurring); or
 - 6.3.2 in respect of claims made against the Insured during the Period of this Policy following Injury, Damage, Malice or Negligent Advice (claims made).
- 6.4 Whilst the basis of cover will follow the provisions of the operative clause of the Scheduled Underlying Insurance as detailed in Clause 6.3, the interpretation of these provisions will be the decision of the Insurers and not the Underlying Insurers. If the Scheduled Underlying Insurance is on a claims-made basis, then the Insurers of this Policy will deal with any claims arising out of an event or circumstance first notified by the Insured to the Insurers during the Period of this Policy as if the claims had been made during the Period of this Policy even if the Scheduled Underlying Insurance contains no similar provision.
- 6.5 If the Underlying Insurer repudiates a claim on the basis of an exclusion relating to the failure of a product to perform as specified, warranted or guaranteed, or to fulfill its intended purpose and such Underlying Insurance is on a losses-occurring basis and the circumstances of the claim are such that the Insured or the Insurers cannot mutually agree when the loss occurred, then the Insurers of this Policy will deal with the claim on the basis that the loss occurred when the claimant first notified the Insured of a circumstance or an event which subsequently gave rise to an indemnifiable claim.
- 6.6 Generally, this Clause 6 does not provide indemnity where a claim is excluded by the wording of the operative clause of the Scheduled Underlying Insurance. There are, however, two specific exceptions to this rule, being where a claim is excluded by the Scheduled Underlying Insurance:
- 6.6.1 solely on the grounds that the Injury or damage was not accidental by nature, or did not arise out of an accident;
 - 6.6.2 solely on the grounds that temporary loss of use of property or reduction in value of property did not constitute 'damage' within the terms of the operative clause of the Scheduled Underlying Insurance. subject always to the provisions of Exclusions 12.5 and 12.9.

7. ADDITIONAL RISKS PROTECTION

- 7.1 This Clause will indemnify the Insured in respect of any claim which is not the subject of indemnity by any other policy of insurance, is not indemnified (either in whole or in part) by Clauses 5 or 6 of this Policy and which forms the subject of indemnity by the Operative Clause.
- 7.2 The indemnity granted by this Clause 7 is limited to claims made against the Insured during the Period of this Policy, or events or circumstances notified by the Insured to the Insurers during such Period which subsequently give rise to claims being made.
- 7.3 The Indemnity Limit of this Policy in respect of cover granted by this Clause 7 is limited to the aggregate of all claims made during the Period of this Policy, or events or circumstances notified by the Insured to the Insurers during such Period which subsequently give rise to claims being made.

- 7.4 No indemnity is provided by this Clause where the Insurers of a Scheduled Underlying Insurance decline to grant indemnity in respect of a claim on the grounds that the Injury, Damage, Malice, Negligent Advice or event did not occur or the claim was not made, during the policy period (as the case may be).

8. INDEMNITY TO OTHERS

The indemnity granted shall extend at the Insured's option and subject to the Insurers' consent which consent shall not be unreasonably withheld, to:

- 8.1 directors, partners or employees of the Insured in that capacity or in their private capacity arising out of any temporary engagement (undertaken with the Insured's consent) of the Insured's employees;
- 8.2 any person or party to the extent that any contract entered into by the Insured requires that such indemnity is given;

- 12.2.2 the cost of removing, nullifying or cleaning-up seeping, polluting or contaminating substances unless the seepage, pollution or contamination is caused by a sudden, unintended and unexpected happening.

Nothing herein shall be construed as extending this Insurance to indemnify the Insured for any liability which would not have been covered under this Insurance in the absence of this Exclusion 12.2;

12.3 Retroactive date

The Insurers shall be permitted but not obliged to inspect the Insured's property and operations at any time.
